## Enjoy the Lazy Days of Summer

The warm weather months are an ideal time to embrace relaxation and allow yourself to fully unwind. Go for a leisurely walk through a park. Take a nap in your backyard hammock. Read a good book or binge-watch a series for hours. Indulge in a treat you loved as a kid, like a root beer float or banana split. We all deserve to have fun in the sun!

## On July 4th, We All Celebrate Heartfelt Pride in the United States

As you gather with family and friends this July 4th, we hope you take pride in the many blessings, freedoms, and opportunities we enjoy in the United States. We are a strong nation, and that strength is derived from the hard work and dedication of our citizens. All of us contribute, each in our own way, to making our nation a great place to live.

We are privileged to provide the communications services you need to get more from each day. Our goal is to help you stay in touch with the people you care about, both here at home and around the world.

**Our offices will be closed on July 4th, and we wish you a safe and happy holiday.**
