

## New Building *Plans* in 2023?

Believe it or not Spring is right around the corner and so is construction season. If you are planning a new build in 2023, we encourage you to contact our office early in the planning process. This ensures getting on our construction list to be able to meet your timeline!

To be placed on our construction list, please contact our office at 605-852-2224 and visit with one of our friendly Customer Advocates.

## Scholarships *Reminder:*

High school seniors interested in applying for the Venture Communications Citizenship and Community Service Scholarship and whose parent or legal guardian are an active subscriber of Venture Communications, are reminded that applications are due in the Venture Communications office no later than March 3, 2023.

The scholarship opportunity through the Foundation for Rural Service (FRS) in conjunction with Venture Communications needs to be submitted to the FRS website by February 8, 2023. Both scholarship applications and details are available from the local high school counselors or at [www.venturecomm.net](http://www.venturecomm.net).
